SENIOR TOILET BLOCK WILL GO!
The new Music/Classroom Block will include new toilet facilities and will be located where the current toilet blocks are, extending towards the netball courts. We are grateful to the State Government for their vision in incorporating the removal of the senior toilet block in this build to gain a better outcome for our school. Thank you to the P&C for their support during the negotiation process. Building this block will begin in April and current predictions are for access from Term 4.

This process began with the need to fix our Music room in F Block. Over these school holidays the Music room will be demolished and an undercroft created, meaning that end of the building will be lifted whilst works are taking place. No access to Yeronga State School is permitted on the first Saturday of the holidays due to asbestos removal taking place. We have allocated some other spaces for Music until the new building opens.

SENIOR LEADERSHIP ELECTIONS
For the last few weeks Year 5 senior leaders have been involved in leadership selection process for Student Leadership positions for 2017. There are a number of positions that are all selected in different ways, but in general involve candidates presenting a speech to a targeted audience and the audience selecting their representatives for the year.

Year 6 students began our process by coordinated our polling booth on Monday 21 November as we held the 2017 School Captain elections. We had another outstanding field of contenders for the position this year and the Year 3-5 students had a hard task in selecting the representatives.

Congratulations to the School Captains for 2017- Joe and Lauren. The School Vice Captains are Lachlan and Myla. I look forward to working with you.

Music Captain elections and House Captain elections were held last week.

Music Captains for 2017 are:
• Strings - Eloise and Yejin;
• Band– Celia; Choir– Helena

House and House Vice Captains for 2017 are:
• Evans: Captains—Lucy and Jake; Vice Captains—Sienna and Leith
• Kendall: Captains–Claudia and Josh; Vice Captains–Joseph and Zoe
• Lawson: Captains—Daniel and Abbey’ Vice Captains—Dan and Ella
• Paterson: Captains—Aisha and Cody; Vice Captains—Jacqueline and Yohan

This year we have also added ICT Captains (Information and Communication Technology), School Environment Captains and School Bell Captains. The successful students to these positions will be advised of at a later date.

Congratulations to all our school leadership position representatives. Thank you to all Year 5 students for their courage in nominating for selection. Taking the risk of having a go and not letting an opportunity pass you by is important. Senior Leaders have many additional opportunities to develop their leadership skills, including Prep Buddies, Active School travel coordination and Sports room monitors. Good luck Year 5 with the year ahead.

YEAR 6 GRADUATION
This Monday 5 December, Year 6 will attend their Graduation evening. It has been a wonderful year with our Year 6 students embracing our school motto ‘Service before Self’. The children have lead the school with pride and enthusiasm. We are sad to see them go however wish them every success for the future.

Thank you to the many Year 6 families that will be leaving us next week too. Many of you have been at our school for 10 years or more, contributing to our community in so many ways. We have enjoyed having you as part of the Yeronga State School community and wish your family health and happiness for the future.

BIG PLAY MUSIC EVENING – 2016

Our music program has drawn to a close this year with our final music evening last Friday night, showcasing the Instrumental and Strings program. Congratulations to the performers for their commitment to the many hours of practice over the course of the year, to develop their skills in playing. Thank you to parents for having them at rehearsals on time and encouraging them to practice. Thank you also to our music teachers, Mrs Rosewarne and Ms Holms, for your encouragement and support of all music students.

We look forward to another great year next year with all our Music teachers returning. There will be some quite significant changes to our music timetable of rehearsals, due to some facilities challenges at the beginning of the year. Music rehearsals will most likely be held during school lunch hours next year, until our new building opens in Term 4. The school hall will not be available to allow YOShc to meet demand for enrolments. Ms Plumridge will be at school Monday – Thursday next year, for four full days of music, due to our increasing enrolments.

VOLUNTEERS AFTERNOON TEA

Older students entertained and showed their appreciation of the contribution of our many volunteers at the annual volunteers event on Tuesday afternoon. Our school is richer for the service that our parents give to helping, including with school governance, tuckshop, learning, fundraising, religion, intervention and extension, photography, music programs, garden club etc. Thank you everyone and we look forward to a great year of working together in 2017.

CLASS ALLOCATION 2017

Parents will receive e-mail notification of their children’s placements for 2017 next Wednesday. Please remember that final classes will not be confirmed until Day 8 2017 as this is when we will know our final staffing allocations. This means that there may be changes to the class teacher or the class structure after Day 8 enrolment numbers.

The leadership team and class teachers have given careful consideration and a lot of time to determining class allocations. We appreciate the additional information and requests that parents have shared and have kept this in mind as we have determined placements. No further correspondence regarding class placements will be considered at this time. After staffing allocations are complete from Day 8, we will advise of any proposed changes to classes. We are busy concluding 2016 and preparing for 2017 and would appreciate your support as we finish off the school year by ensuring we are using our time effectively.

TEAM TEACHING

Next year we will have a number of team teaching arrangements throughout the school. At present our teachers collaborate significantly and we also have teachers from Year 3-6 engaging specialisation where they teach the same subject to the year level. Next year we will also have two teachers teaching larger combined classes. Research says there are many benefits of team teaching, including the opportunity for students to receive more intense and individualised instruction. This means that collaboratively teachers can potentially better cater for different academic levels. Next year we will have a number of teachers’ team teaching, giving them some great opportunities for incidental professional learning.

REPORT CARDS

Semester 2 Report cards will be distributed via e-mail to parents next week. If both parents have an email address recorded, the report card will go to both.

Be sure to take some time to celebrate the semester of learning with your child. Effort and Behaviour ratings will give you the best indication of how your child has progressed. These ratings are expressed as either Excellent, Very Good, Satisfactory, Needs Attention and Unacceptable. All children should be able to achieve a Satisfactory or better for their efforts in individual subject areas.

Junior school academic ratings are expressed as either Very High, High, Sound, Developing and Support Required. Senior School academic ratings are expressed as A-E. These ratings are determined at a state level and align to the national requirement to report to parent using a 5 point scale. If you have any questions about your child’s report cards, please talk to the class teacher.

STAFFING

We have a number of staffing changes for next year. Mrs Mary Lindsey-Smith will not be teaching full time next year, however will be doing some relief teaching. Mrs Lindsey-Smith has worked tirelessly for many years in her desire to help every child succeed and be filled with a love of learning. Mrs Lindsey-Smith has also coordinated our Science program in recent years, ensuring our children have participated in some truly fantastic incursions. Thank you for your contribution and we wish you well as you embrace the change of pace!

Ms Seleta McGuire will be transferring to Mansfield State School after 15 years at Yeronga State School. Ms McGuire has supported many students in their final years at Yeronga, including fostering a passion for AFL and infecting them with a love of reading! Thank you for all you have done to make a difference and we wish you well in this next step in your teaching career.

Ms Alison Sparks is transferring to Mansfield State School after three years at Yeronga State School. Ms Sparks is a passionate educator, who wishes to experience a variety of programs and approaches, as she seeks to make a difference for the learning of all students. We thank you for your contribution to Yeronga and wish you continued success in your teaching career.

Mrs Kathleen Lyons and Mrs Elizabeth (Lizzie) King have been transferred into our school next year. We welcome them to our school and hope they find their time with us rewarding. Both of these teachers have or are visiting our school to engage in year level planning in preparation for next year.

There are a number of other changes, including to the fractions that people are working. Miss Meaghan Townsend, Mrs Gemma Chase will join the staff in part time capacity. Due to the number of people on leave, we will also be retaining all present classroom teachers for a majority of the year. Congratulations to Ms Kate Middleton-Pol, who has recently gained permanency with Education Queensland and therefore will be a permanent member of the Yeronga team.

SURVEY REMINDER

The 2020 School Vision Survey will be closing on Monday 5 December. We are seeking to have a vision that can be easily articulated by our community so we will take the feedback and try to capture the vision in a way that is easy to understand and remember. Thank you for your time and commitment to our school. https://www.surveymonkey.com/r/5YZQ2XV

Student Council

Thank you and well done to the Student Council members for their work this year in providing opportunities to raise awareness and money for some charities, providing fun events like the Olympics for classes to enjoy and of course our Yeronga’s Got Talent. A great effort using their own time to support our school community.

Christmas Concert

The P-2 Christmas concert will be held on Friday 9 December in the hall. Parents are welcome to come along and be part of our celebration morning. Teachers will contact you about specific details about each class’s participation.

CHESS NEWS
Ronelle Dunn, Chess Coordinator, rdunn19@eq.edu.au

The Yeronga Chess Tournament has come and gone for another year and left in its wake another round of Chess Champions. Although there can only be one Champion at each Year level and one Overall Champion, there were lots of ‘champions’ on the day! The participants were eager and enthusiastically rose to the challenge of putting their Chess Skills to the test. It was a delight to see how older and younger students interacted as the ‘faced off’ and the graceful way they won or lost and their readiness to jump back into the next round even when defeated. There was definitely a lot of learning going on!! Congratulations to everyone.

* Overall Champions: 1st Angus (Year 5) 2nd Harry (Year 6) 3rd Joshua (Year 4)
* Year 6 Champions: 1st Harry 2nd Jaden 3rd Nash
* Year 5 Champions: 1st Angus 2nd Eloise 3rd Tobias
* Year 4 Champions: 1st Joshua 2nd Luca 3rd Junpeng
* Year 3 Champions: 1st Alec 2nd Swaroop 3rd Samuel
* Year 2 Champions: 1st George 2nd Charlotte 3rd Anna
* Year 1 Champions: 1st Edward 2nd Oliver 3rd Lux
* Prep Champions: 1st Matthew 2nd Nathan 3rd Hudson

FROM THE RESOURCE CENTRE
Faith Hage, Teacher Librarian fhag4@eq.edu.au

We have had such a fantastic year in the library with lots of new books making it to the shelves. Thank you to all the parents and staff who have helped cover the books. We have had just over 1000 books processed this year and this would not have been possible without your help in covering them.

There are still a lot of books to be covered for next year, so if you have some spare time and want to help out please come to the library and help cover these books so they can be borrowed at the beginning of next year.

By purchasing books through Book Club the school has earned reward points that have allowed us to purchase these books. The students and I thank you and hope we have another successful year next year.

Well done to the students who have returned their library books already, to those students who have yet to return them please do so as soon as possible. If you have not returned by Friday, bills will be sent out for replacement copies to be purchased.

With the holidays almost upon us I want to take this time to remind you to find some time to read. Read anything- a book, magazine, comic, instructions, newspaper, email, website, information text at the museum, anything.

"Reading gives us someplace to go when we have to stay where we are." - Mason Cooley.

Have a safe and enjoyable holiday!

SCHOOL BANKING

24.11.2016: 76 Bankers
Junior Banker : Sam (P2) Senior Banker : Morgan (3/4M)
01.12.2016: 43 Bankers
Junior Banker : Thomas (1JW); Senior Banker : William (4/5H)

Thank you to all our School Bankers in 2016.
2016 - WRAP-UP: The P&C Executive have spent considerable time this year discussing the role of the P&C within the school community; where our strengths lie and how we can leave our school improved and more inclusive. The Executive believe that if we can help to create a more connected and involved community there will be very real benefits for current and future. We appreciate each and every volunteer that has helped make snow cones, wrap raffle prizes, sell tickets, operate mother's and father's day stalls, free dress days, money, trivia nights, turn sausages, bake muffins, school banking, grow and sell plants, tuckshop duty, help out in the uniform shop, attend P&C meetings, attend YO$HC committee meetings, donate professional skills, advice and time, send parent rep emails, attend social events and have a good time. That's quite the list!

So thank you to every single person who has given of their time, talents and resources over the period of the year.

In 2017 we will be keeping in mind the following 6 areas (in no particular order) when looking at raising funds and deciding how and where funds will be spent. We welcome your input at P&C monthly meetings to more specifically determine the direction of P&C funding.

1. Cool School
2. IT/ICT
3. Landscaping/School Master Plan
4. Broadening the school music instrumental program
5. Nature Play
6. Hall refurbishment

We look forward to another successful year in 2017. Our AGM will be held on February 21st at which time all executive positions will be vacated, as per the P&C's QLD constitution. Nomination forms will be distributed at the start of the school year. Best of luck to those families who may be leaving us for high schools or new schools. We hope everyone has a safe and relaxing holiday break and look forward to welcoming new and old faces in 2017.

TUCKSHOP NEWS: Well another huge year here at the tuckshop and this would not be possible without all the wonderful volunteers. A big BIG thank you to you all. We are looking at a profit of over $18,000!! For those of you who cannot wait for the holidays to step away from the lunch boxes the tuckshop will be open Wednesday and Thursday in the last week of school. I wish you all a safe and happy holiday. See you in 2017! Tracy

UNIFORM SHOP NEWS: Extended Uniform Shop Trading hours for 2017

The uniform shop will be open at the following times in the lead up to the new school year in 2017

- Thursday 19/01/17 8 am - 11 am
- Saturday 21/01/17 9 am - 12 pm
- Monday 23/01/17 8 am - 11 am
- Tuesday 24/01/17 8:30 am - 9:30 am
- Wednesday 25/01/17 2:30 pm - 3:30 pm

Please note, these hours are in addition to the regular opening hours during the school term of Mondays 2:30-3:30pm and Thursdays 8:30-9:30 am. Remember, ordering can be done on flexischools and collected on the 19/1 or 21/1 or delivered to your child's class during the first week of school. If anyone is available to volunteer some time helping in the uniform shop on the 19/01/17 or 21/01/17, please contact Yvonne at: yerongassuniformshop@gmail.com

COOL SCHOOL REVIEW NEEDS YOU!

As we head into summer, your input is important to help the P&C develop an effective strategy to ensure YSS becomes a sustainably cool school. A Facebook page has been created to give you quick and easy access to regular updates on the YSS Cool School initiative - please 'like' it: www.facebook.com/ysscoolschool

We're also excited to announce the YSS Cool School Review is at its next stage - community input!

P&C volunteers have painstakingly collected data and researched Cool School initiatives to prepare a special report to help us make sound, evidence-based decisions. Report will be made available on Facebook. Meetings for staff, students and families will be held in Term 1, 2017 to explain cooling options and how we will move forward with detailed community consultation and fundraising. At that time, a survey will also be sent to all families to gather input on key aspects of the solutions and funding. We look forward to your involvement and if you would like to be part of the Review Team please email suetape@yahoo.com

The Cool School Review report summarises the data that has been collected for each YSS school building, including classroom temperatures and conditions, direct sun exposure, reflected heat, existing fans and cooling options, and building properties and features that impact classroom heating and cooling. This has then been prioritised so Mrs Spanner, the Education Department and the P&C can plan a way forward, taking into consideration community feedback, desired solutions, and available funding.

Thank you to all families who have donated to the Cool School initiative through the School Building Fund appeal. Your support is appreciated and will kick-start our first Cool School solution in 2017.

FROM THE FETE COMMITTEE: The fete committee has been at work for months, and plans are already in motion. Starting early in the new school year we will be asking for your assistance in selling raffle tickets and volunteering to co-ordinate and help out on your class stall. Keep up to date with what is happening by liking our facebook page and keep your eye out for more newsletters next year.

What can I do now? ‘Pre-loved’ DONATIONS!

Doing a clean out before Christmas? Got some pre-loved second hand sports gear/ books/ toys? Or that odd Christmas gift that you and your second cousin twice removed gave you and you’re not quite sure what you are going to do with it? We have the perfect spot for all of these. Drop off your unwanted (but in good condition) stuff to the P&C storeroom on January 21st 2017 between 9am and 12pm or January 28th 2017 between 8am and 10am. Because these dates are both Saturdays you can drive right into the tuckshop car park and unload your pre-loved goods. The 21st January drop-off date also coincides with the opening of the school uniform shop.

Our free dress days, money, trivia nights, turn sausages, bake muffins, school banking, grow and sell plants, tuckshop duty, help out in the uniform shop, attend P&C meetings, attend YO$HC committee meetings, donate professional skills, advice and time, send parent rep emails, attend social events and have a good time. That's quite the list!

Do you know, or are you, a potential SPONSOR?

With over 570 students enrolled at Yeronga State School, the exposure offered through sponsorship packages is guaranteed to reach the school’s families and their extended networks. Sponsorship would demonstrate commitment to the school and community from your business and will offer mutual benefits for both your business and the school community. Visit http://yssfete.com.au/sponsorship.html for all the details of sponsorship options.

SNO CONES—JUNIOR SWIMMING CARNIVAL

Big Play – Congratulations
On Friday night 120 students and their family and friends gathered to celebrate the achievements of our instrumental program - band and strings. Once again Madeleine and Jade, with help from Grace, presented the evening with skill, poise and even a few 'Da jokes' to boot!

We heard from all levels of the programs from beginners to seniors including the extension groups. Students were recognised with awards and we thanked Mrs Rosewarne, Mrs Eastgate and Miss Holms for a wonderful year. Our new recruits for 2017 in the Strings and Band program are ready to roll and extend their musical experience. Please ensure your acceptance forms are returned to the school office this week as there are students on the waiting list if offers are not accepted.

All school instruments were due back yesterday, so please send them to school tomorrow.

Swimming Carnival
Congratulations to the children on their behaviour at this event. With the great amount of excitement obvious in their faces they still listened beautifully to their teachers. Their racing was wonderful to watch. It looks like there are going to be some hotly contested races in the senior carnival next year at the year 3 level. Many thanks to the parents who were able to help. There are, sadly, too many to name, but thank you very much.

Thanks Mr Sutherland!
I say it all the time, but we are blessed to have the best groundsman in Brisbane, in Mr Sutherland, who not only does the grounds, transports and puts up things like tents and PA’s, but also stays to officiate at carnivals as well as sporting teams. If you see Mr Sutherland, don’t forget to say “thank you” for all the extra things he does.

Year 6 Legacy
These Year 6’s have worked very hard all year to assist others and to achieve their own goals. There are some outstanding sportspeople among them and some very helpful and organised people also. They have certainly helped with the running of carnivals this year. I would like to congratulate them all on their efforts all year and wish them the best for their futures and a Merry Christmas. We will miss you.

Upcoming Events
01 December: Year Two Behaviour Celebration (at the pool)
02 December: Prep Fun Day at the Pool (Morning)
08 December: Year One Behaviour Celebration (at the pool)

CHAPPY NEWS
Jennifer Bennett, School Chaplain, jenniferb@chappy.org.au

A Gift for our Community...
Many things come to mind at this time of year; so much excitement, anticipation, and happy thoughts. I love seeing my extended family, joining in with different festivities and seasonal events, relaxing at home, and enjoying summer (I love mangoes!). On the other side though is also worry, exhaustion, and much busyness. Probably like you, I need some time to relax, put my feet up and read a book. I’m looking forward to the break of school routine, music lessons, and weekly sports. I’ve still got lots to prepare and do to be ready for coming events, with the concern of not overspending and making sure we still meet all our commitments and expectations.

It’s so easy to get caught up with everything that is happening in our own little world and with our own needs. With all our busyness we can forget about others who might need our help and encouragement to get through the coming weeks. Charities are increasingly overwhelmed by the great need in the community at this time of year. But we don’t need to just leave community support to charitable organisations. We can make a difference too. Is there someone that you know that would appreciate a little extra kindness for Christmas? Is there a community group or charity that you could donate some time, money, or skills to support? Are there neighbours or someone you pass by that are lonely and isolated, and are in need your friendship and help?

With Christmas, much like Diwali and Eid, there are lots of gift exchanges with family and friends. With so much to give, what gift can you give to your community this year? I hope you enjoy the summer holidays and festivities, find time to relax and enjoy being with your family, but also find great reward in helping others.

Thank you …
In my role as Chaplain, I do appreciate that there are lots of different agencies, community groups and charitable organisations that exist to help people who need it most. I often link families to the different programs and services that are offered, and get to see people supported and cared for across so many different areas of need. In our community, I want to acknowledge the great support provided by St Vinnies Yeronga, The Salvation Army South Brisbane, Annerley Baptist Church, and Hope Centre International in meeting welfare needs. I’m so grateful that I can help many through those wonderful connections.

Coming Events...
03 December
• Moorooka Community Christmas Carnivale—“A Rather Hipster Christmas” - Moorooka Rooster Oval 6:30-8:30pm (markets and carnival from 2:00pm)
• Junction Park State School Carols by Candlelight and International Food Fair 5:00pm-7:30pm
• Scouts Queensland Christmas Carols – Roma Street Parklands 6:30pm-8:30pm
04 December - Christmas Carols in the Park – Robinson Park Fairfield 4:30pm-7:30pm
10 December - Lord Mayor’s Christmas Carols – Riverstage 5:00pm-9:15pm
