PARENT TEACHER INFORMATION EVENINGS

It was great to see so many of you in attendance at our parent teacher evenings last week. We hope you found the information worthwhile and you feel confident that your child is going to have many positive and worthwhile learning experiences this year in a caring, supportive classroom environment.

OUR COMMUNITY IS AS STRONG AS YOUR CONTRIBUTION

On Tuesday we had our first P&C meeting of the year, including the AGM where all Executive positions lapse and the selection of P&C Executive for this year occurred. The annual P&C report highlighted the great contribution that the P&C and our parent body make to the school. A special thank you to Mrs Stephanie McCarthy, who resigned as P&C Correspondence Secretary after two years - your efforts are greatly appreciated.

The new P&C Executive is:

President: Sarah van den Berg
Vice President: Ruth Bennett/Peppa Brown
Treasurer: Leesa Monaghan
Secretary: Kym Mansfield
Correspondence Secretary: Joanne Thomson

The strong partnership with the P&C and school working together towards common objectives is what makes our community so strong. Such a strong partnership is necessary as we begin the journey from Great to Excellent over the next four years.

SHARING OUR SUCCESS

The NSW Director General of Education is visiting tomorrow to hear the school narrative around student success in learning. Earlier this week Grand Avenue State School leadership team visited to explore strategies we use to engage our students in writing, including the use of learning ladders to help children identify their next step in learning, in the areas of 6 Traits of Writing. The opportunity of reflecting and sharing our current learning practices helps us to identify what the next step will be in taking us from Great to Excellent.

BE REFLECTIVE

The learner protocol for this week is Be Reflective. You may like to go to the link ‘What is a reflective learner?’ as it captures why this is an essential practice for our learners. https://www.youtube.com/watch?v=XIsznZR4hzY

INTERNATIONAL WOMEN’S DAY

International Women’s Day on March 8 is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. This year’s theme is “Be Bold for Change”.

At Yeronga State School, a breakfast event will be hosted by the Principal for Year 5 and 6 girls, their mothers, grandmothers, or other prominent women in their lives. Please mark the date in your calendar. Details of the event will be coming soon.

For more information, please visit 122 Park Road, Yeronga Qld 4104 | Telephone: 07 3426 0333 | Student Absence Telephone: 07 3426 0366 Email: principal@yerongass.eq.edu.au | www.yerongass.eq.edu.au
GET READY FOR CAR-FREE FRIDAYS!
Yeronga State School participates in the Brisbane City Council’s Active School Travel program. This year, our active travel day will be FRIDAY. We will launch Active School Travel on Friday 17 March to coincide with National Ride2School Day (see below for more details).

Active travel include:
- walking the whole way to school
- parking a distance away from the school and walking the rest of the way (e.g. 500m/10 minute walk)
- swapping four wheel (car) for two and coming to school on your bike or scooter
- catching the train or bus to school
- carpooling with another family to share the trip.

Each time your child actively travels to school they will get a stamp in their Active School Travel Passport and receive incentive awards such as water bottles, handballs, stationery and more. Classroom teachers will also collect the Active School Travel statistics and the most active class each week will receive the Gold Star Award.

Did you know that encouraging your children to ride, walk or scooter to and from school can help them reach their daily requirement of physical activity?

Over the past 40 years, the number of children who are physically active every day has significantly declined. In the 1970s, 8 out of 10 students rode or walked to school – today the national average is only 2 out of 10. An active journey to school also allows children to learn about their local area, develop their social networks and gain independence. And it is fun!

Prep, Grade 1, 2K and 2L passports will be stamped in the junior school area. 2R, 2C, 2HW and Grades 3-6 will have their passports stamped in the Senior School areas.

NATIONAL RIDE2SCHOOL DAY—FRIDAY 17 MARCH
Ride or scoot to school on Friday March 17 and help us celebrate National Ride2School Day.

Join us on the oval outside the Resource Centre for a healthy snack from 8:00am and go into the draw for some great prizes including a family pass to the Great Brisbane Bike Ride’s Family Fun Ride, vouchers, water bottles and more.

Drop by and see Bicycle Stu to get your tyres pumped up and to make sure you’re wearing your helmet correctly.

Everyone who rides or scoots to school that day will also receive two stamps (instead of one) in their Active School Travel passport.

Debbie Spanner

Camp Quality
The Camp Quality Primary School Education Program has been invited to perform at Yeronga SS on 15 March.

Camp Quality is a children’s family cancer charity. Their purpose is to making a better life for every child living with cancer in Australia. For over 25 years our Education Program, the Camp Quality Puppets, have performed for thousands of children in Australian schools. They help children and teachers learn how to create a supportive school community for children affected by cancer, whether they are living with cancer themselves or have a family member living with cancer.

The program consists of a live, educational performance focusing on cancer education, optimism and friendship.

There is no charge to the school or the students, but donations are welcome. If you would like to donate cash donations can be passed on to the puppeteers on the day or donations can be made via https://www.campquality.org.au/donate

Please see the attached information. A permission form will be emailed closer to the event date.

Harmony Day Assembly
Each year Yeronga State School celebrates the diversity of our school population with a special Harmony Day assembly. This year this will be held on Thursday 23 March at 2.00pm.

Part of our assembly has involved a procession of flags. In the procession of flags we cover countries of birth or the cultural identity of the children here and their parents.

This year we have flags from Australia, Indigenous Australia, Torres Strait islands, Antigua and Barbuda, Bosnia and Herzegovina, Canada, Chile, China, Colombia, Cyprus, Denmark, Ethiopia, England, Fiji, France, Germany, Greece, India, Indonesia, Iran, Ireland, Ivory Coast, Italy, Jamaica, Japan, South Korea, Liberia, Malaysia, Nepal, Netherlands, New Zealand, Nth Ireland, Pakistan, Papua New Guinea, Philippines, Poland, Russia, Saudi Arabia, Scotland, Serbia, Sierra Leone, Singapore, South Africa, Spain, Sri Lanka, Sudan, Sweden, Switzerland, Thailand, Togo, Turkey, USA, Wales, Zimbabwe. We will be checking this year if these countries are all still represented in our school and organising flag bearers.

If you or your child are from a country not listed above please let Mrs Malouf know by email on mmalo5@eq.edu.au so that the flag can be included in our procession.

Something to ponder

How do you connect with your children about learning? Recently I heard the following suggestion at a Professional Development session which I shared with some parents at the Parent-Teacher session which I shared with some parents at the Parent–Teacher

Learning – We are all Life Long Learners.
Let your child know that learning is forever and comes in many forms by talking to them about what you have learnt each day. Perhaps every family member can contribute to a mealtime discussion giving one thing that was new to them for that day.

Learning is part of life.

Responsibility – Set them a new task or role.
Give children a new responsibility as soon as they have mastered one. It may take some time and may need a few explanations and maybe even some patience as they learn how to manage it but the rewards out way the time spent. They will be more confident, more able to organise their school life, learning and manage their commitments. They will also get a sense of achievement, build resilience while trying to complete the task and learn valuable lessons about organisation to help in their school lives and beyond.

Carla Walker

From the Deputy Principal
Carla Walker

Student Council
Each year the students in year 3 - 6 vote for a representative from their class to join the student council.

Congratulations to the following students who will join our School Captains and Vice Captains as part of the 2017 Student Council: Ellie, Luca, Isabel, Abby, Leila, Maddie, Lian, Isabel, Ben, Will, Connor, Anna and Ines.

The students were presented with their badges at the Induction assembly. I look forward to working with the council again this year.

Carla Walker

Information for Parents (NSW)

Curiosity - Posing a problem for them to solve.
It may be a way to let them think outside the box, ask you clarifying questions, start a discussion with you or someone else, lead to some searching on the internet or just give them something to think about.

Learning – We are all Life Long Learners.
Let your child know that learning is forever and comes in many forms by talking to them about what you have learnt each day. Perhaps every family member can contribute to a mealtime discussion giving one thing that was new to them for that day.

Learning is part of life.

EXTRA-CURRICULAR ACTIVITY TERM 2

Beginning in Term 1, the P&C will be offering coding workshops for children in Years 2 - 7. The coding workshops will be organised by Coding Kids (www.codingkids.com.au). Sessions will be run on Wednesday 7.30 - 8.30am for Years 2-4 and Friday 7.30 - 8.30am for Years 5-6. The course will run for eight weeks starting in Week 2 in the Resource Centre Computer Lab. The fee will be $199.00 per child. Places are limited.

For further information or to make a booking please contact Coding Kids www.codingkids.com.au or ring Emily 0449 162 677.

Due to the numeracy and literacy skills required to complete projects, the classes will not be available to Preps or Years 1.

EASTER RAFFLE

Thank you to those families who have already donated chocolate for our annual Easter Raffle. Last year the Easter Raffle raised $3,000 that went directly back into improving the facilities within our school.

C'mon Yeronga, lets see if we can set a new record in 2017!!! Raffle tickets will be issued beginning of next week. Tickets are 50 cents each or a book of 12 for $5.00.

The class that sells the most tickets collectively will receive a prize. With over 50 prizes to be won - you have to be in it, to win it.

If anyone would like to be involved in preparing the Easter baskets and helping with wrapping on Thursday 23 March from 9.00am please email Ruth gordon70@optusnet.com.au

NEW WINTER UNIFORM OPTION

Just a reminder that Monday 4:00pm is the cut off for ordering the new optional winter uniform items. Details of these were emailed to all school families last week. We will not be carrying stock of these items in the uniform shop. Orders can be placed on flexischools and payment can be made on flexischools by credit card or direct deposit.

NATIONAL RIDE TO SCHOOL DAY/BRING YOUR BIKE

17 March is National Ride to School Day and we will be launching our Active School Travel program on that day.

For those new to the school, every Wednesday (from 17 March onwards). We encourage all who are able, to travel to school in the morning in a more active way. That may be riding, scootering, walking, or even parking the car a block away and walking from the car.

The children have a passport that they receive a stamp in every week, working towards small prizes.

CROSS COUNTRY SNOW CONES

The P&C will be selling snow cones at the cross country on 27 March. They will be $2.

We are still looking for someone to co-ordinate the snow cone making for this day. Responsibilities include organising a couple of eskies for the day, purchasing ice in the morning (normally we source from Mallens and they have given us a discount in the past), delivering ice to the school and transferring to eskies, making sure the snow cone machine is set up and syrups are decanted into smaller bottles, packing up and putting snow cone machine away when finished.

If you are able to spare some time on 27 March to help with this task, please get in touch by emailing yerongasspandc@gmail.com

CHESS

At the request of the school the P&C will be taking over the provision of extra curricular chess lessons. Chess lessons will commence at the start of term 2. Details regarding enrolment will be sent home shortly.

BUILDING FUND

Our annual building fund contribution forms will be emailed to you via your parent reps in the coming days. For those families new to the school, voluntary building fund contributions are tax deductible donations you can make that must be used by the P&C towards projects that are related to maintenance of buildings or their attachments. We are directing donations to the building fund towards needs identified by our Cool School report. That report can be viewed here: https://drive.google.com/open?id=0B9hsnVbwVqYwI2HeUtTfTXdvM00

AGM

Thank you to all those who attended our AGM on Tuesday night. We welcome Jo Thomson and Peppa Brown as new members of the executive and are grateful for their willingness to contribute. Some healthy discussions were had, particularly around the issue of air conditioning, and we look forward to the involvement of the wider school community on this issue in the coming weeks and months.

We often hear "but what are the P&C spending all the money on" and in a fete year we hear "where is the fete money going??"

For those of you who were not able to attend on Tuesday night and who have not ever been to a P&C meeting.

Below is a brief summary of some main points and budget highlights for you.

Spending priorities for 2017 (in no particular order):
1. Cool Schools
2. Grounds/Landscaping Master Plan
3. Supporting the school music program
4. IT/ICT
5. Nature Play
6. Future proofing YOSHC

Total approximate profit for 2017: $8,500

Included in these expenses and approved in the budget passed on Tuesday night are:
- $25,000 put aside for Cool School
- $5,000 contributed to the school to assist in the cost of an Archivist to undertake work towards preparing for our 150th year celebrations in 2021
- $10,000 set aside as a contribution to the school for items that fall within points 2 through to 5 listed above.
- Over $30,000 in P&C operating expenses just to run the P&C

More detailed information can be found in our budget documents that were emailed out to all P&C members prior to the AGM on Tuesday night.

We hope by highlighting these figures it is clear that the P&C has made solid commitments this year to invest money in areas of the school that parents have told us is important to them, but also shows how dependent we are on fundraising contributions.

Our next meeting will be held on 21 March at 7:00pm. All are welcome.
INSTRUMENTAL MUSIC

Robyn Rosewarne

Southside Beginners Band Camp
The Southside Beginners Band Camp for all year 4 band students will be held at the Sleeman Centre, Chandler on Wednesday 29 March—Friday 31 March. It is a day camp (school hours) and a wonderful opportunity for our young musicians to experience playing in a band ensemble as well as tutorials from specialist tutors. A concert will be held on the final for all parents.

Students are responsible for their own transport to and from the venue. We suggest families organise to car pool with other band students.

Consent forms and payment is due to the school office by 13 March.

Robyn Rosewarne

FROM THE RESOURCE CENTRE

Deborah Cowie | Faith Hage

World Book Online
World Book Online is officially up and running, with classes this week exploring this new wonderful non-fiction resource. You are able to access this resource at home on your PC/ laptop or tablet.

Use this link to access the site. The user name and password will have been sent home with your child with their other passwords. www.worldbookonline.com

If possible it would be fantastic for you to sit and read with your child and explore the amazing articles available on this resource. Also if they are reading articles it counts towards their nightly reading. Don't forget to record it in their home reader booklet.

Have fun exploring and happy reading

Being Connected...
How well are you connected? Do you have lots of people interactions through school, work, sports and social clubs, faith-based groups, or even neighbours? Do you have a significant online profile and presence with lots of friends and followers on Facebook, Snapchat, Instagram, or even LinkedIn?

We are filling our calendars with busy routines around all sorts of activities and growing circles of relationships. On-line we are increasingly connected with friends, and friends of friends. With all these connections, you would hope that it would help us to have a sense of belonging and fulfillment in being part of something bigger. Unfortunately, these things are good but don't necessarily help us to make meaningful connections.

Making meaningful connections comes through investing time with a friend. Dr Brené Brown explains it in more detail, "as the energy that exists between people when they feel seen, heard, and valued; when they can give and receive without judgement; and when they derive sustenance and strength from the relationship".

It would be unrealistic to have that sort of relationship with all of our on-line friends or everyone in our wider circle of friendships. Instead we need to commit to finding a few close friends and spending time with them face to face. Giving where you can out of your own resources and skills. Asking for help where you are lacking and where your friends can help. Together, your friendships should become a circle of support and a source of strength and encouragement. Give it time to grow into a strong and valuable relationship.

Doing my thing...
Some recent examples of how I have helped provide support here at Yeronga include:

• Purchase of uniforms and stationery for students needing help getting back for school
• Connection for families to external welfare agencies needing extra support
• Regular health and well-being tips for teachers
• Facilitating a small group around friendship skills
• Thursday Club – lunch-time activities for students include craft and games
• Supporting a family through a great tragedy, by engaging with the Chaplain at their new school for ongoing care and support.

Choir - Full
Junior and Senior Choir are now beyond capacity at over 80 and 60 members respectively. No new members please.

Invoices for the $15 choir contribution will now be sent home next week (week 6).

Events
Senior Choir (Stella Voce) has its first event on Monday 22 May, at Mansfield State High for the QYMA competition. Details will be sent at a later time. The event usually requires a 5.30 – 8:00pm attendance. Tickets for family members are $10, at the door.

Most music ensembles will also be performing at the Fete, Saturday 27 May.

Email distribution Lists
All ensemble email lists are now operating. A test email outlining the procedures for subscribing and unsubscribing was sent out on Tuesday evening. Please contact Ms Plumridge on jplum10@eq.edu.au if you did not receive an email, and include the student member and ensemble list you wish to be subscribed to.

Class Music 4-6
Year 4 are studying ‘Songs of Australia’ with the question "What makes and iconic Australian song" at the core of their learning and music making. They have a full edStudio to engage with at home and two sets of knowledge to memorise.

Year 5 are studying ‘Blues My Way’ with the question "Are The Blues relevant to kids today" at the core of their learning and music making. They have a full edStudio to engage with at home, with online collaboration tasks to complete.

Year 6 are experiencing body percussion and loop-based music in ‘Rhythmic Riot’ with creating and performing ostinato patterns at the core of their practice. Their edStudio is evolving and they are encouraged to continue preparing their group/pair performances outside of class time.

PHYSICAL EDUCATION

Cameron Bateman

Welcome back everybody. I hope the Summer Holidays were as exciting or as restful as you wanted them to be.

Cross Country Training

Cross Country Training has begun with the climax being the School Cross Country on 27 March. Sessions are on Mondays from 3:15 to 3:45pm and Tuesdays from 8:00 to 8:30am with Mr Bateman, Wednesdays 8:00 to 8:30am with Mr Sutherland. The Friday sessions with Mr Sutherland are to be held from 7:00am for the elite running group free of charge.

Numbers have been consistently over 20 for these sessions. Well done to those regular attendees.

Mr Sutherland has also, in the past, established an elite running group. Mr Sutherland, who is a qualified personal trainer and an elite runner, in 10km events, is willing to run these sessions.

Mr Johnson always said “a run a day keeps the cross country aches and pains away!” Not only did this fill our trophy cabinets with district cross country trophies, but it also meant that children wanting to participate in other sports had the baseline fitness that made those other sports easier. It meant that coaches could concentrate much more on skills.

Gala Days (10 to 12 Years Students)

Gala Days are well and truly on the horizon for Boys and Girls Football (What used to be called Soccer) and Girls Softball and Tee-ball. The dates for these very important days are, weather permitting, 24 March, 28 April and 19 May. The sports offered will include Boys and Girls Football (Soccer) and Girls’ Softball and Tee-ball.

Swimming

Swimming began in week 4 (next week) and will finish in week 8 (a total of five weeks). Please check the note carefully for your child’s time so that swimming kit is brought to school for lessons. These sessions provide high quality swimming instruction across the school. We will be implementing, in conjunction with Yeronga Park Pool, the pool instructor lead programme in the Summer/Autumn season as well. This means the instructors will take the lessons for all children from Year 2 to Year 4 to enhance our competence in Aquatics. Not only are these children being given expert stroke correction, but also water safety knowledge.

Thanks again to Yeronga Park Pool for its continued support.

The District Swimming Team

Our team for Districts competed at the Sunnybank District Swimming Trial on 8 February and placed fourth.

Congratulations to our team:

Abbey, Claudia, Margaret, Madeleine, Veronica, Eloise, Morgan, Olivia, Bridget, Hayley, Myla, Sienna, Corey, Leith, Joshua, Oscar, Fletcher, Clancy, Liam, Harry and Joe.

Congratulations also to our students who have qualified for the Sunnybank District Swimming Team to compete at the Regionals at Chandler. These people include Abbey, Claudia, Margaret, Veronica, Hayley, Joshua, Oscar, Liam and Harry.

We wish them the best of luck.

Congratulations Cody!

Cody has been selected in the Sunnybank District Basketball team. Well done Cody!

District Netball Trialists

Best of luck to Huong, Isabel, Isabel, Maeve, Eloise, Lauren and Ellie who will be competing for positions in the 11 and 12 years Sunnybank District Netball Teams.

District Rugby League Trialists

Best of luck to Cody, Lachlan and Jack who have been selected to compete for positions in the Sunnybank District Rugby League team.

District AFL Trialists

Best of luck to Harry, Josh, Harvey, Jack and Bill who will be competing for postions in the Sunnybank District AFL team.

Sunnybank District Sporting Trials

The representative pathway for school sport is for children from 10 to 12 years of age. Yeronga is part of a very strong district which consists of 28 schools from Yeronga State School to the Calamvale area. In contact and skill team sports those aged 11 and 12 possess the advantages of size and speed, if not skill on most occasions. Selectors are choosing those with the skill and the resilience to compete at a higher level.

Remember that selectors give up their time for these trials meaning that it is important for us to send only those ready to go to a higher level. Very seldom is it appropriate to send students for experience. An indicator of readiness for participation at a higher level would be being among the best 3 or 4 players in most games for your club under 12 teams.

In order to be selected to attend a District Trial children should make themselves known to me (Mr Bateman) for either a selection trial with the appropriate teacher or so that they may be given the appropriate forms. Remember that children must give at least two weeks notice that they wish to attend a district trial to allow for a school selection trial to be held in the event of a great deal of interest being shown in a particular sport.

Important Sporting Dates

Regional Swimming Trial: 22 February
District AFL Trials: 23 February
District Rugby League Trials: 27 February & 2 March
District Netball Trials: 28 February & 3 March
District Girls’ Football (Soccer) Trials: 6 & 9 March
District Boys’ Football (Soccer) Trials: 8, 9 & 15 March
District Boy’s Touch Trial: 20 March
Regional AFL Trial: 20 & 21 March
District Boys’ Touch Trial: 20 & 27 March
District Girls Touch: 21 & 30 March
Regional Basketball Trial 23 March
Gala Day One: 24 March
YSS Senior Cross Country: 27 March (To be Confirmed)

Cameron Bateman

ICAS Competitions

Deborah Cowie

2017 ICAS Competitions

All students in Years 2 - 6 are invited to participate in the ICAS Competitions run by the University of New South Wales.

In 2017 we will be participating in the following competitions:

Year 2 (ICAS Letter Year 2 2017)
Science 30 May $8.00
Spelling 14 June $11.00
English 1 August $8.00
Mathematics 15 August $8.00

Year 3–6 all of the above plus (ICAS Senior Letter 2017)
Digital Technologies 23 May $8.00
Writing 13 June $17.00

If you wish your child to participate complete the attached ICAS form and return, with payment, to the payment boxes by Friday 17 March. As these tests are pre-paid we are unable to take late entries or provide a refund.

Copies of the form are available at the Junior and Senior school payment boxes.

For more information, go to www.eaa.unsw.edu.au/icas/about

Debbie Cowie
PAYMENT BOXES

The school office is a very busy place especially between 8.30am and 9.30am. In an effort to provide an efficient and effective workplace we ask that students, parents/caregivers use the Payment Boxes located downstairs in the Admin Block and also in the Junior School in L Block.

Extra copies of excursion notes are located at these boxes as well as credit cards slips that can be completed for later processing.

Over-the-counter receipting is processed from 8.15am to 8.45am on the ground floor of the Administration Block. Payments placed in the payment boxes are processed daily and receipts are forwarded to your child’s class teacher to distribute.

Please ensure that if you are paying by cash that the correct amount is put in the envelope and that your child’s name and class is clearly marked.

QPARENTS

QParents is a wonderful option for accessing and payment multiple invoices. Please contact the office if you would like to join QParents...it is a free service.

SCHOOL BANKING

Remember to deposit on School Banking Thursdays.

16.02.2017: 85 Bankers
Junior Banker: Otto (2K)
Senior Banker: Madison (3T)

23.02.2017: 82 Bankers
Junior Banker: Nathan (1E)
Senior Banker: Ellie (6M)
